### **SEXY SHIRT SLOGAN COMPETITION...**

We have received so many fabulous suggestions. It was a very difficult decision, but the winner of the sexy shirt slogan competition is:

NANCY SHOWACRE

Her sexy design is going to be a great new addition to the family of Xpose Shirts. Want to know what the shirt looks like? . . . Our lips are sealed... We will have an unveiling ceremony when the shirts come back from the printer!

Congratulations, Nancy! The shirt has been sent to the screen printer and we expect them to be debuted this month! Thanks again to all the women who participated.

### **SEXY SECRET OF THE MONTH...**

The wind has been blistering this month! Sometimes wind can cause a slight burn (like sunburn) on the face or cause the skin to become oilier in order to protect your sensitive skin. A good indication of oily skin is when the pores become more noticeable. The sexy secret of the month helps combat those noticeable pores, to help your face look its best during harsh weather!

Use a salicylic acid wash daily. Not sure what salicylic acid is? Just turn the bottles of face wash over next time you're in the store. It should be listed as an active ingredient on the label. When using make-up, avoid using glossy foundation. Stick to the matifying bases to keep pore show-casing shine at bay. Finally, use blotting papers instead of powder. Powder can congeal in large pores and make them more noticeable, while blotting papers remove the oil in the skin to keep a more matte look.

These tips will help your face look fresh and healthy. Enjoy!

## **BIRTHDAY TREAT...**

Celebrate your birthday with Xpose! As our gift to you, we will give you 1 Free class at either the Towson location or the Arundel Mills location. Just bring in a valid driver's license on your birthday and enjoy! Don't think you can make it on your birthday? No worries! You have up to seven days to redeem this gift!

## **SEXY SONGS...**
